Your Grand Traverse Republican Committee was SHOCKED when the Governor of this State recently said . . .

"There are two candidates for United States Senator—one is a good citizen and the other is a Republican."

# THIS IS THE REPUBLICAN

U. S. Senator

We contend he is:

- courageous
- independent and unbossed
- hard working and
- sincere

Not everyone will agree with every position he has taken — But nobody can HONESTLY say that Charles Potter is not a GOOD CITIZEN.

Remember what he has done for us and for America on Nov. 4th
