THE POST-STANDARD SYRACUSE, N. Y., MONDAY, FEBRUARY 20, 1967

'Let All the World in Every Corner Sing'

The voices of 18 local church choirs burst forth yesterday at the Youth Choir Festival, sponsored by the American Guild of Organists in cooperation with Syracuse University School of Music and local churches. Among the anthems sung by the combined choirs was "We Sing of God the Mighty Source," especially composed for the festival by Dean Howard Boatwright of the School of Music.

The festival, conducted at the university's Hendricks Chapel, featured several hundred student voices. Organist for the service was Donald S. Sutherland, with the Rev. Kenneth C. Heuermann, pastor of St. Michael's Lutheran Church, giving the offertory prayer and the Rev. Robert B. Lee of the First Presbyterian Church giving the invocation.
